SFMD provided the Town of Florence the IGA for fire apparatus maintenance services that was approved and signed by the SFMD Board at the May 17, 2017 Board Meeting.

The Town of Florence has requested two changes detailed below, neither of which affects the financial aspect of the IGA for SFMD.

Page 4, Item #5e. The wording “only by qualified EVT certified technicians has been added.

Page 4, item h). This section has been added in its entirety. This language existed in the prior IGA and the Town of Florence wants it added to this IGA. It defines the responsibilities and authority of its employees regarding the Town of Florence’s Procurement Policy.

All other aspects of the IGA signed on May 17 remain intact. Donna Avera, SFMD Legal Counsel, has reviewed and approved these changes.

Staff recommends the approval of the Florence Fire IGA with an effective start date of July 1, 2017.

A.R.S. §38-431.01(H):
A public body may make an open call to the public during a public meeting, subject to reasonable time, place and manner restrictions, to allow individuals to address the public body on any issue within the jurisdiction of the public body.

At the conclusion of an open call to the public, individual members of the public body may respond to criticism made by those who have addressed the public body, may ask staff to review a matter or may ask that a matter be put on a future agenda.

However, members of the public body shall not discuss or take legal action on matters raised during an open call to the public unless the matters are properly noticed for discussion and legal action.

Call to the Public is provided so citizens may address the public body (Governing Board) with matters concerning the fire district. Since the public body will generally not know what specific matters may be raised at call to the public, they will be unable to act until the matter is placed on a subsequent meeting agenda (at the board’s discretion). The board may also direct staff to follow up on the issue with the citizen.
