### **Agenda Item: 2**

#### **Agenda Item Title: Call to Public.**

A public body may make an open call to the public during a public meeting, subject to reasonable time, place, and manner restrictions, to allow individuals to address the public body on any issue within the jurisdiction of the public body. At the conclusion of an open call to the public, individual members of the public body may respond to criticism made by those who have addressed the public body, may ask staff to review a matter, or may ask that a matter be put on a future agenda. However, members of the public body shall not discuss or take legal action on matters raised during an open call to the public unless the matters are properly noticed for discussion and legal action.

#### **Background / Discussion:**

Call to Public is provided so citizens may address the public body (Local Pension Board) with matters concerning the retirement system. Arizona public meeting law provides that the public body may discuss, consider, or decide only matters listed on the agenda and other matters related thereto. Since the public body will generally not know what specific matters may be raised at call to public, they will be unable to act until the matter is placed on a subsequent meeting agenda (at the Local Board's discretion). The Local Board may also direct staff to follow up on an issue.
