Agenda Item 1
BOD#: 2016-02-01

**Agenda Item Title:**
Review and approval of the January 2016 financial reports and bank reconciliations.

**Submitted By:**
Fire Chief Paul Bourgeois
Finance Director Roger Wood

**Background/Discussion:**
The district’s accounting department staff prepares the monthly financial reports. The district’s annual budget, which is adopted by the board each June for the following fiscal year (July 1 – June 30), is formatted to mirror the monthly financial statements. The financial reports provide the board with a monthly recap of expenditures and revenues, along with year-to-date account balance information.

In compliance with A.R.S. §48-807(O), the following reports have been added to the monthly financial statements packet:

1. **Cash Flow – All Governmental Funds.**
   The Cash Flow report consists of the combined cash balances of all District Funds. These balances include the General (100), Transport Services (150), Capital Projects (200), Bond Proceeds (300), Special Revenue (400), Debt Principal (500), and Debt Interest (600) Funds. The Cash Flow report is updated monthly with the actual revenues deposited into and actual expenditures disbursed from the district’s cash accounts. It is important to note the revenues and expenditures are reported on a Cash Basis. This report is generated to demonstrate that the fire district maintains sufficient cash available to satisfy the projected expenditures budgeted over the course of the fiscal year.

2. **Fund Account Bank Reconciliations.**
The reconciliation of each of the district’s Fund Cash Accounts (General (100), Transport Services (150), Capital Projects (200), Bond Proceeds (300), Special Revenue (400), Debt Principal (500), and Debt Interest (600) Funds) between the Pinal County Treasurer’s monthly bank statement and the District’s Fund balance sheet report is provided. To signify board approval of the monthly financial statements and bank reconciliations, the Board Chairman is requested to sign the attached Letter of Acceptance which will be kept on file at the district.

Governing Board Meeting – February 17, 2016
Agenda Item: 3
BOD#: 2016-02-n/a

Agenda Item Title:
Call to the Public

A.R.S. §38-431.01(H):
A public body may make an open call to the public during a public meeting, subject to reasonable time, place and manner restrictions, to allow individuals to address the public body on any issue within the jurisdiction of the public body.

At the conclusion of an open call to the public, individual members of the public body may respond to criticism made by those who have addressed the public body, may ask staff to review a matter or may ask that a matter be put on a future agenda.

However, members of the public body shall not discuss or take legal action on matters raised during an open call to the public unless the matters are properly noticed for discussion and legal action.

Background / Discussion:
Call to the Public is provided so citizens may address the public body (Governing Board) with matters concerning the fire district. Arizona public meeting law provides that the public body may discuss, consider, or decide only matters listed on the agenda and other matters related thereto. Since the public body will generally not know what specific matters may be raised at call to the public, they will be unable to act until the matter is placed on a subsequent meeting agenda (at the board’s discretion). The board may also direct staff to follow up on the issue with the citizen.

Governing Board Meeting – February 17, 2016
Agenda Item: 4
BOD#: 2016-02-03

Agenda Item Title:
Consideration and possible approval of all consent agenda items as listed below:

a) Board Meeting Minutes from January 20, 2016 – Appendix A
b) Possible adoption of annual contract for property and casualty insurance services. – Appendix B
c) Possible adoption of a contract for a collection agency. – Appendix C

Background/Discussion:
The consent agenda allows the Board of Directors (BOD) to consider contracts, purchases, and other routine administrative matters having authorized funding within the current fiscal year budget as a single decision. Items may be withdrawn from the consent agenda and discussed separately upon request by any member of the BOD or staff. Information for each consent agenda item and corresponding supporting document is within the packet.

Recommended Motion:
“Motion to approve the consent agenda items for February 17, 2016.”
Agenda Item Title:
Discussion of the Fiscal Year 2016/2017 Tax Abstract for Pinal and Maricopa Counties, and its impact on the development of the Fiscal Year 2016/2017 Revenue Budget.

Submitted By:
Fire Chief Paul Bourgeois
Finance Director Roger Wood

Background/Discussion:
The Combined Pinal County & Maricopa County Fire District Levy Limit Worksheet (Tax Abstract) is enclosed for reference and review. The following is a summary of the information:

1. Pinal County.
   For the fiscal year beginning July 1, 2016 the SFMD Net Assessed Valuation (NAV) for all District properties in Pinal County increased 1.5% ($352,994,828 for FY16/17 vs. $347,927,678 for FY15/16).

2. Maricopa County.
   For the fiscal year beginning July 1, 2016 the SFMD NAV for all District properties in Maricopa County increased 60.7% (384,348 for FY16/17 vs. $239,192 for FY15/16). However, the NAV for FY15/16 was understated due to an error at the Assessor's office that excluded virtually all Net Personal Property from the District's NAV.

3. At the current tax rate of $3.19 / $100 of NAV, the tax levy for the District is $11,272,796. District revenue items still unknown include the SRP Contribution (taxes paid by SRP on their property and assets located within our District) and the Fire Insurance Premium Tax, estimated at $375,000 and $100,000, respectively.

The quote we received from Cindy Elbert Insurance Services for the period March 1, 2016 – February 28, 2017 is **$121,701**. The increase is due to the following:

<table>
<thead>
<tr>
<th>Coverage</th>
<th>Last Year</th>
<th>This Year</th>
<th>Change</th>
<th>Coverage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A. Auto &amp; Property:</td>
<td>$72,923</td>
<td>$93,596</td>
<td>+21,991</td>
<td>Vehicle, Buildings, contents</td>
</tr>
<tr>
<td>B. Inland Marine:</td>
<td>10,032</td>
<td>16,636</td>
<td>+ 6,604</td>
<td>Portable equipment</td>
</tr>
<tr>
<td>C. Umbrella Liability:</td>
<td>10,777</td>

</tr>
<tr>
<td></td>
<td>$93,732</td>
<td>$121,701</td>
<td>$29,287</td>
<td></td>
</tr>
</tbody>
</table>

In total, this represents a 31.7% increase in cost which is caused by the following:

A. Since last year the District added five (5) additional ambulances valued at $1.6 million.
B. The District is purchasing a new vehicle coverage called Guaranteed Replacement Cost value for 10 of its newest vehicles. This coverage will provide “the lesser of the cost of a new apparatus or the actual amount spent for repair or replacement.” This coverage only applies to vehicles 5 years old or newer.
C. This District’s loss ratio is 125.33% over 6 years which is causing approximately 10% ($9,300) of the annual increase.

Additional Items for Consideration.
1. Terrorism Coverage.
   a. Annual premium = $2,090
   b. The Terrorism Risk Insurance Act of 2002 requires insurance companies to offer terrorism coverage.
   c. The District can deny this coverage.
2. Optional Increased Cyber Liability Coverage.
   a. Annual premium = $6,912.33 - $9,425.27 ($100K/$500K to $500K/$2.5M limits)
   b. The General Liability coverage (D above) already includes $1M per event/$10M aggregate network security and data breach liability coverage
   c. The District can deny this coverage.

Financial Impact/Budget Line Item:
Additional annual cost of $29,287.00

Staff Recommendation:
Staff recommends the approval of the ESIP insurance for property and vehicle damage, and liability. Staff also recommends the Board reject the Optional Terrorism and Increased Cyber Liability coverage.
Staff also recommends to approve the payment of the associated premium of $121,373 to take effect on March 1, 2016.

This is an invoice not a binder or indication of coverage.
Arizona law permits you to make certain decisions regarding UNinsured Motorists Coverage and UNDERinsured Motorists Coverage. This document describes these coverages and the options available.

You should read this document carefully and contact us or your agent if you have any questions regarding UNinsured Motorists Coverage or UNDERinsured Motorists Coverage and your options with respect to these coverages.

This document includes general descriptions of coverage. However, no coverage is provided by this document. You should read your policy and review your Declarations Page(s) and/or Schedule(s) for complete information on the coverages your policy provides.

You have a legal right to purchase both UNinsured and UNDERinsured Motorist coverages with the proposed automobile liability policy. THESE COVERAGEs PROTECT YOU, YOUR FAMILY AND YOUR PASSENGERS. LIABILITY COVERAGE DOES NOT IN MOST CASES.

UNinsured motorist insurance provides protection for bodily injuries caused by a negligent motorist who has no insurance. UNDERinsured motorist coverage provides protection if the negligent motorist does not have enough liability insurance to pay for the injuries caused. For a more detailed explanation of these coverages, refer to your policy. Your policy provides UNinsured/UNDERinsured coverage in the same amount as the policy’s Bodily Injury Liability Limit, unless you select a lower amount or no coverage, as stated in this notice.

You have a right to purchase both UNinsured Motorist coverage and UNDERinsured Motorist coverage in any amount from $30,000 single limit (or $15,000/$30,000 split limits) up to your policy’s bodily injury liability limit, or you may reject the coverage entirely. Neither limit may exceed your liability coverage limits for Bodily Injury.

The Terrorism Risk Insurance Act of 2002 as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2015 (collectively referred to as the "Act") established a program within the Department of the Treasury, under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks. An act of terrorism is defined as any act certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

In accordance with the Act, we are required to offer you coverage for losses resulting from an act of terrorism that is certified under the federal program as an act of terrorism. The policy's other provisions will still apply to such an act. Your decision is needed on this question: do you choose to pay the premium for terrorism coverage stated in this offer of coverage, or do you reject the offer of coverage and not pay the premium? You may accept or reject this offer.

If your policy provides commercial property coverage, in certain states, statutes or regulations may require coverage for fire following an act of terrorism. In those states, if terrorism results in fire, we will pay for the loss or damage caused by that fire, subject to all applicable policy provisions including the Limit of Insurance on the affected property. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements that apply to those coverage forms, or to Legal Liability coverage forms or Leasehold Interest coverage forms.

Your premium will include the additional premium for terrorism as stated in the section of this Notice titled DISCLOSURE OF PREMIUM.

DISCLOSURE OF FEDERAL PARTICIPATION IN PAYMENT OF TERRORISM LOSSES
The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 85% in 2015, 84% in 2016, 83% in 2017, 82% in 2018, 81% in 2019, and 80% in 2020 of that portion of the amount of such insured losses that exceeds the applicable insurer deductible during Calendar Year 2015 and each Calendar Year thereafter through 2020.

DISCLOSURE OF CAP ON ANNUAL LIABILITY
If the aggregate insured terrorism losses of all insurers exceed $100,000,000,000 during any Calendar Year provided in the Act, the Secretary of the Treasury shall not make any payments for any portion of the amount of such losses that exceed $100,000,000,000, and if we have met our insurer deductible, we shall not be liable for the payment of any portion of such losses that exceeds $100,000,000,000.

DISCLOSURE OF PREMIUM
Your premium for terrorism coverage is: $2,090.00
(This charge/amount is applied to obtain the final premium.)
You may choose to reject the offer by signing the statement below and returning it to us. Your policy will be changed to exclude the described coverage. If you choose to accept this offer, this form does not have to be returned.

REJECTION STATEMENT

I hereby decline to purchase coverage for certified acts of terrorism. I understand that an exclusion of certain terrorism losses will be made part of this policy.

According to our records, your organization does not carry an Accident policy on your members. ESIP offers a 24 Hour Accidental Death & Dismemberment policy providing a death benefit for accidents occurring both on duty and off duty.

At McNeil and Company, we strive to provide the best coverage available for our customers. Your policy provides coverage for your buildings, vehicles, portable equipment and your emergency service liability needs. Your most valuable asset is often overlooked – your members. The financial peace of mind of their loved ones is at risk when duty puts your personnel in harm’s way. Offering Accident Insurance protection for your members provides a valuable death benefit to their loved ones should the worst occur.

Furthermore, at a time when departments nationwide are experiencing unprecedented declines in membership, benefits such as these can aid in the recruitment of new members and in the retention of trained personnel.

For your convenience, on the following pages you will find a quote for 24 Hour Accidental Death and Dismemberment coverage for your members. This quote is based on the number of members shown in the Property and Casualty survey provided to us.

In order to ensure that you are aware of the valuable coverage that we are offering, you will need to Accept or Reject this coverage, sign and date the proposal page and return it to us.

We believe that your members deserve the best protection that your organization can provide, whether in the vehicles they drive, the gear they wear, or the equipment they use. Doesn’t it make sense to protect their lives as well?

b) Possible adoption of a contract for collection agency.

Submitted By:
Fire Chief Paul Bourgeois
Assistant Chief Mike Farber

Background / Discussion:
On January 4, 2016 SFMD launched our new Transportation Services Division. Intermedix was selected as our billing company. With any billing service some accounts are not paid and must be referred to collections.
Based on Intermedix’s recommendation and other agencies positive experiences with Professional Credit Service (PCS) it is recommended that the District sign a one year contract selecting them as our collection agency for transportation services billing.

Financial Impact/Budget Line Item:
PCS will receive 21% of all bad debt collected and will return to the District 79%

Staff Recommendation:
Staff recommends to approve the contract with Professional Credit Service as the district’s collection agency.

Enclosure(s):
