Per Arizona Revised Statute (ARS) §48-807(O), the District must produce a Cash Flow Projection Report each fiscal year. This was a new requirement effective September 13, 2013.

The Cash Flow report consists of the combined cash balances of **all** District Funds. These balances includes the General (100) Fund, Rescue Transport (150), Capital Projects (200) Fund, Bond Proceeds (300) Fund, Special Revenue (400) Fund, CCU Grant (450) Fund, Debt Principal (500) Fund, and Debt Interest (600) Fund.

The first half of the fiscal year's property taxes is due between October 1 and November 1, and the second half is due between March 1 and May 1. Consequently, during the early months of the fiscal year, Capital Projects fund may be utilized to off-set low revenue collections period, but are returned to the Capital Fund when revenue flows increase.

The Cash Flow Projection Report is to be updated monthly with the actual revenues deposited into and expenditures disbursed from the District's cash accounts. It is important to note that the revenues and expenditures are reported here on a Cash Basis.

This report is generated to demonstrate that the Fire District maintains sufficient cash available to satisfy the projected expenditures budgeted over the course of the fiscal year. Close attention should be paid to the Ending Cash Balance columns of this report.

The projections above were derived from an analysis of the District's actual revenues and expenditures for the past three fiscal years and the current year's approved budget. They are to be used as a guide in financial planning. For more detailed information regarding revenues, expenditures, and cash accounts, please refer to the District's Monthly Financial Statements, Warrants Register, and Bank Statements.

Per Arizona Revised Statute (ARS) §48-807(O), the District must produce a Cash Flow Projection Report each fiscal year. This was a new requirement effective September 13, 2013.

The Cash Flow report consists of the combined cash balances of all District Funds. These balances includes the General (100) Fund, Rescue Transport (150), Capital Projects (200) Fund, Bond Proceeds (300) Fund, Special Revenue (400) Fund, CCU Grant (450) Fund, Debt Principal (500) Fund, and Debt Interest (600) Fund.

The first half of the fiscal year's property taxes is due between October 1 and November 1, and the second half is due between March 1 and May 1. Consequently, during the early months of the fiscal year, Capital Projects fund may be utilized to off-set low revenue collections period, but are returned to the Capital Fund when revenue flows increase.

The Cash Flow Projection Report is to be updated monthly with the actual revenues deposited into and expenditures disbursed from the District's cash accounts. It is important to note that the revenues and expenditures are reported here on a Cash Basis.

This report is generated to demonstrate that the Fire District maintains sufficient cash available to satisfy the projected expenditures budgeted over the course of the fiscal year. Close attention should be paid to the Ending Cash Balance columns of this report.

The projections above were derived from an analysis of the District's actual revenues and expenditures for the past three fiscal years and the current year's approved budget. They are to be used as a guide in financial planning. For more detailed information regarding revenues, expenditures, and cash accounts, please refer to the District's Monthly Financial Statements, Warrants Register, and Bank Statements.
