Governing Board Meeting – June 20, 2018
Agenda Item: 1
BOD#: 2018-06-01

**Agenda Item Title**
Review and approval of the May 2018 financial reports and bank reconciliations.

**Submitted By**
Finance Director Roger Wood

**Background/Discussion**
The District’s accounting department staff prepares the monthly financial reports. The District’s annual budget, which is adopted by the Board each June for the following fiscal year (July 1 – June 30), is formatted to mirror the monthly financial statements. The financial reports provide the Board with a monthly recap of expenditures and revenues, along with year-to-date account balance information.

In compliance with A.R.S. §48-807(O), the following reports have been added to the monthly financial statements packet:

1. **Cash Flow – All Governmental Funds.**
The Cash Flow report consists of the combined cash balances of all District Funds. These balances include the General (100), Transport Services (150), Capital Projects (200), Special Revenue (400), Debt Principal (500), and Debt Interest (600) Funds. The Cash Flow report is updated monthly with the actual revenues deposited into and actual expenditures disbursed from the District’s cash accounts. It is important to note the revenues and expenditures are reported on a Cash Basis. This report is generated to demonstrate that the fire District maintains sufficient cash available to satisfy the projected expenditures budgeted over the course of the fiscal year.

2. **Fund Account Bank Reconciliations.**
The reconciliation of each of the District’s Fund Cash Accounts (General (100), Transport Services (150), Capital Projects (200), Special Revenue (400), Debt Principal (500), and Debt Interest (600) Funds) between the Pinal County Treasurer’s monthly bank statement and the District’s Fund balance sheet report is provided. Call to the Public

A.R.S. §38-431.01(H)
A public body may make an open call to the public during a public meeting, subject to reasonable time, place and manner restrictions, to allow individuals to address the public body on any issue within the jurisdiction of the public body.

At the conclusion of an open call to the public, individual members of the public body may respond to criticism made by those who have addressed the public body, may ask staff to review a matter or may ask that a matter be put on a future agenda.

However, members of the public body shall not discuss or take legal action on matters raised during an open call to the public unless the matters are properly noticed for discussion and legal action.

Background / Discussion
Call to the Public is provided so citizens may address the public body (Governing Board) with matters concerning the fire district. Arizona public meeting law provides that the public body may discuss, consider, or decide only matters listed on the agenda and other matters related thereto. Since the public body will generally not know what specific matters may be raised at call to the public, they will be unable to act until the matter is placed on a subsequent meeting agenda (at the Board’s discretion). The Board may also direct staff to follow up on the issue with the citizen.

Discussion and possible adoption of Resolution 2018-06-20-09, authorizing the establishment of a line of credit (“LOC”) with Wells Fargo for Fiscal Year 2018/2019.

Submitted By:
Fire Chief Mike Farber
Finance Director Roger Wood

Background/Discussion:
A.R.S. §11-604.01 states that a fire district may establish a LOC with the county’s contract servicing bank with the assistance of the county treasurer. The establishment of a LOC is the predominant method of short term financing used by fire districts to finance operations during the absence of secondary property tax receipts. Many fire districts begin the fiscal year with minimal cash fund balances and draw upon the LOC until secondary property taxes are received in November and again in spring during the April / May timeframe. The LOC is statutorily limited to a maximum of 45% of the secondary property tax levy of the preceding fiscal year. Establishing a LOC requires a resolution of the fire district elected body and approval of the county servicing bank. Under A.R.S §11-604.01 parameters, the District could establish a maximum LOC of approximately $4.5 million.

The LOC is serviced by Wells Fargo bank who requires Board approval of the establishment and requested limit of the LOC for each fiscal year. Current cash flow projections show a maximum LOC usage of approximately $750,000 in early September, so the recommendation is to maintain an LOC of $1.5 million is to ensure a sufficient LOC limit far in excess of expected need. There is no cost to establishing an LOC if it is not used.

Due to the new contract between Wells Fargo and the Pinal County Treasurer’s Office, the interest rate for the LOC is now 4.75%, and is subject to change as the Prime Rate changes. This underscores the need for the District to use the LOC as minimally as possible to keep the overall interest cost as low as possible.

   a. SFMD will allow EMT, AEMT and Paramedic access as passengers on their apparatus for vehicular internship/clinical education experience.
   
   b. SFMD will maintain all patient care during all vehicular internship/clinical education experience.
   
   c. CAC will instruct students to maintain confidentiality and students shall not document on any SFMD patient care reports.
   
   d. If this Agreement is for placement in a setting where "protected health information" as defined in 45 C.F.R. §160.103 is shared with students and SFMD is a Covered Entity for purposes of the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), then students shall function as part of SFMD's "workforce" as defined in 45 C.F.R. §160.103 and shall be responsible for providing assigned students with appropriate training and supervision with regard to SFMD's HIPAA policies and procedures. CAC shall be responsible for providing students with general, introductory information regarding HIPAA prior to their assignment to SFMD. CAC agrees to comply with FERPA, and to require that each student comply with all requirements established by SFMD, or state or federal law pertaining to information considered private or confidential, or information considered protected under the terms of HIPAA. In addition, if directed to do so by SFMD, CAC shall execute, and shall require its students to execute, such agreements as necessary in order to protect the privacy rights of the patient or to comply with HIPAA, including but not limited to the execution of a business associate agreement. CAC shall require its students to abide by the requests set forth herein.
e. If this agreement is for placement in a setting where "education records" as defined in 34 C.F.R. §99.3 are shared with students and CAC is an Educational Agency or Institution subject to the Family Educational Rights and Privacy Act of 1974 ("FERPA"), then CAC shall be responsible for providing assigned students with appropriate training and supervision with regard to the CAC's FERPA policies and procedures. CAC shall be responsible for providing students with general, introductory information regarding FERPA prior to their assignment to SFMD.

f. g. SFMD shall be entitled to establish protocol for a student’s conduct and participation in the Program, and shall be entitled to modify, limit or eliminate any protocol, or a student’s participation in the Program, as SFMD determines necessary and appropriate consistent with its protocol and requirements, and taking into consideration the safety of any patients of any employees of SFMD.

h. SFMD may require a background check on any student prior to participating in the Program. Any costs associated with said background check will be the sole responsibility of the student or CAC. SFMD may, in its absolute discretion, deny any student participation in the Program upon discovery any information concerning said student which SFMD determines is not conducive for someone involved in a public service position. CAC shall obtain any consent requested by SFMD for the desired background check and SFMD may refuse to permit any student to participate in the Program should they refuse to provide the requested consent.

2. FEES.

3. CAC and SFMD agree to defend, indemnify and hold each other harmless including employees, agents, faculty, directors, officers and affiliate corporations and their respective officers, directors and employees from all loss, cost, expense injury or damage, including reasonable attorney’s fees, for professional liability, personal liability, public liability, and property damage, relating directly to the negligent acts or intentional misconduct of the other while on SFMD premises pursuant to the Program, provided however, nothing herein shall be construed to expand the liability of any party or its employees beyond the gross negligence/intentional misconduct standard applicable to emergency medical technicians or
paramedics providing emergency medical aid as provided for in A.R.S. §48-818. CAC also agrees to indemnify, defend and hold harmless SFMD, its directors, officers, employees, agents, attorneys and assigns against any and all claims which may arise under the False Claims Act (FCA) or under the qui tam provision of the FCA during or after SFMD’s participation in the Program. This indemnification provision shall survive the termination of the Agreement.

i. No provision of this Agreement shall be deemed to constitute either party, or any agent or employee of either party, as an agent or employee of each other. Each party assumes full responsibility for the actions or inactions of its own personnel while performing services under this Agreement and each shall be solely responsible for supervision, daily direction, control of payment of salary (including withholding taxes and social security), workers' compensation, and disability benefits of its own employees. CAC and SFMD do not consider the student an agent or employee of SFMD for liability or workers' compensation purposes, but, rather, a student in the clinical practicum and/or internship/externship education phase of the student's professional development.

j. CAC's remedies under this Agreement and that of any student participating in any program under this Agreement shall be limited to termination of this Agreement. In no event shall CAC or any student be entitled to monetary damages, whether actual or consequential, for any breach of any provision of this Agreement or for early termination of this Agreement by SFMD. CAC shall communicate to its students the fact that SFMD
is not receiving any financial compensation from CAC or a student under the terms of this Agreement, and as such will not refund any tuition or fees or pay any compensation or pay any damages to either CAC or any student, and CAC agrees to obtain written acknowledgement from said student to that effect.

k. It is not contemplated that any party to this Agreement will contribute equipment or property in furtherance hereof. To the extent there is a contribution, pursuant to the provisions of A.R.S. § 11-952(B)(4), in the event of termination any property contributed by either party shall be returned to the respective party.

l. This Agreement is entered into for the benefit of CAC and SFMD, and shall not be construed to be a third-party beneficiary contract for any third party, including any student participant hereunder, who may be injured as a result of any act or omission occurring as a result of the conduct or performance of a student under this Agreement. If requested, each student participating under the terms of this Agreement shall execute a release for the purpose of holding SFMD harmless from and indemnifying SFMD against any claims for any act, omission or conduct of a student.

6. Termination

a. Either party may terminate this Agreement pursuant to the requirements of A.R.S. § 38-511.

b. This Agreement may be terminated by either party giving written notice to the other party at least sixty (30) days prior to the commencement of the next succeeding semester or CAC term. In that event, CAC shall be responsible for finding a location or other Program for any student to complete their training. Upon the termination of this Agreement, either by natural expiration or by termination noticed by either party, SFMD shall have no further obligation for the continued training of any student enrolled under the Program as set forth in this Agreement, and CAC shall hold SFMD harmless from and indemnify SFMD against any claim for damages or costs incurred by a student affected by such termination.

c. Notwithstanding the above, in the event this Agreement is terminated by CAC, SFMD may, in its discretion, continue mentoring any student currently enrolled in the program until such time as that program has been completed. In that event, this Agreement shall continue as to that student only, for purposes of mentoring said student, until the completion of that student's participation in the then current segment of the program.

IT IS MUTUALLY AGREED THAT:

I. THIS AGREEMENT shall start on June 21, 2018 and automatically renew every year for five years, terminating on June 21, 2023.

II. It is expressly recognized by the parties that no employment, contractual or agency relationship exists between SFMD and any students participating in the training program established by this Agreement. Nothing in the execution of this Agreement or in its performance shall be construed to establish a joint venture by the parties hereto. Services performed by students pursuant to this Agreement will be within the established and
written requirements of the certification being pursued and as required of every candidate for that certification.

III. This Agreement shall be governed by the laws of the State of Arizona.

IV. If any provision of this Agreement, or any applicable provisions thereof to any person, shall be found by a court of competent jurisdiction to be invalid or unenforceable to any extent, the remainder of this Agreement, and the application thereof to other persons or circumstances, shall not be impaired, and shall be enforced to the fullest extent permitted by law.

V. This Agreement constitutes the entire agreement between CAC and SFMD. Any changes or modifications shall be accomplished by amendment to this Agreement executed by the duly authorized representatives of the parties.

11. Discussion, consideration, and possible action regarding the development of the Fiscal Year 2018/2019 Revenue and Expenditure Budget and adoption of Resolution 2018-05-16-07 (BOD #2018-05-10)

Chief Mike Farber was proud to present the tentative budget for Fiscal Year 2018/2019. This budget was a culmination of the Senior Leadership Team, Budget Managers and the Labor Management Team. One of the main items we wanted to accomplish this year is to give a 3% wage increase to ALL Employees effective July 1, 2018. This increase is comprised of a 2% COLA (Cost of Living Adjustment) and a 1% wage adjustment.

If we receive the SAFER Grant, we will hire 7 new employees to staff Station 263 to reduce overtime in the future. Increased training was a major commitment. We are working to have a culture that is positive, productive, professional and personable.

Benefit dollars will remain the same. We are switching from Blue Cross Blue Shield medical insurance over to United Healthcare medical insurance for Fiscal Year 2018/2019.

Finance Director Roger Wood talked about the 100 (M&O) Fund and the 150 (Transport) Fund. We are assuming a 3% increase in the Transport volume.
We do not have any change in the gross billing rates. We are still working on the general rate increase with DHS. It will most likely be around the fall of 2018 before we know for sure what is happening with the general rate increase.

Current staffing levels will remain the same. 3% (2% COLA and 1% wage adjustment) wage increase that Chief Farber spoke about previously will be for all employees including Transportation Services and all civilians.

Mountain Vista Hospital will no longer be providing free prescription medicines to us for our runs to the hospital. We will have to pick up that expense and we have budgeted for it.

The 200 Fund (Capital Replacement Fund) has very little change from last month. The beginning cash balance is estimated at $1,123,000.00. Assuming that the Board approves the $0.25 Special Assessment in the Tentative Budget, that would bring in an additional $994,000 in FY 2018/2019. We have planned purchases of $1,700,000. We will end FY 2018/2019 with $402,000.

Finance Director Roger Wood briefly described the list of planned purchases to the Board Members.

The 400 Fund (Special Revenue) is where we captured most of our Grant activity and donations. We have budgeted for the AFG Grant for the second set of turnouts.

The 500 Fund and the 600 Fund is where we capture the special assessment revenues to pay off our 2006 GADA Bond principal debt and GADA Bond interest debt.

**Motion** by Clerk Gehrt to adopt Resolution 2018-05-16-07 adopting a tentative budget in the amount of $21,491,658.44 for the fiscal year beginning July 1, 2018 and ending June 30, 2019 and giving notice to the public of the tentative budget, as well as a time and place for a public meeting to hear comments prior to final adoption of the budget as required by law.

**Seconded** by Director Moeller.

**Vote** 5 ayes, 0 nays. **MOTION PASSED**

12. Discussion, consideration and possible action regarding refinancing the District's 2006 GADA Bond and the approval Resolution 2018-05-16-08. (BOD #2018-05-11)

Finance Director Roger Wood discussed a new loan agreement for the District to pay off the 2006 GADA Bond loan debt at a lower interest rate, therefore, saving the District money. Due to the age of the Bond, there is no longer a pre-payment penalty. Interest rates are favorable and we’re moving as fast as we can. We are hoping to bring a new loan agreement to the Board for consideration in the July/August Board Meeting. We are working with Greenberg Traurig (the law firm that represented the District when we issued the original Bond), and Stifel, (the negotiating firm who is putting us together with the lender).

Chief Farber and Finance Director Roger Wood will work together to get the best deal on fixed interest rates for the District. The Board has the ultimate authority and if the Board does not agree to the terms, there will be no cost to the District.

The current minimum estimated savings is $407,000.

**Motion** by Clerk Gehrt to approve the 2006 GADA Bond Refinance Resolution 2018-05-16-08, the Refinance Placement Agent Agreement, and the Written Policies and Procedures for Tax-Advantaged Obligations. **Seconded** by Director Strand.
