Agenda Item: 1
BOD#: 2018-08-01

Agenda Item Title
Review and approval of the July 2018 financial reports and bank reconciliations.

Submitted By
Finance Director Roger Wood

Background/Discussion
The District’s accounting department staff prepares the monthly financial reports. The District’s annual budget, which is adopted by the Board each June for the following fiscal year (July 1 – June 30), is formatted to mirror the monthly financial statements. The financial reports provide the Board with a monthly recap of expenditures and revenues, along with year-to-date account balance information.

In compliance with A.R.S. §48-807(O), the following reports have been added to the monthly financial statements packet:

1. **Cash Flow – All Governmental Funds.**
   The Cash Flow report consists of the combined cash balances of all District Funds. These balances include the General (100), Transport Services (150), Capital Projects (200), Special Revenue (400), Debt Principal (500), and Debt Interest (600) Funds. The Cash Flow report is updated monthly with the actual revenues deposited into and actual expenditures disbursed from the District’s cash accounts. It is important to note the revenues and expenditures are reported on a Cash Basis. This report is generated to demonstrate that the fire District maintains sufficient cash available to satisfy the projected expenditures budgeted over the course of the fiscal year.

2. **Fund Account Bank Reconciliations.**
   The reconciliation of each of the District’s Fund Cash Accounts (General (100), Transport Services (150), Capital Projects (200), Special Revenue (400), Debt Principal (500), and Debt Interest (600) Funds) between the Pinal County Treasurer’s monthly bank statement and the District’s Fund balance sheet report is provided. To signify Board approval of the monthly financial statements and bank reconciliations, the Board Chairman is requested to sign the attached Letter of Acceptance which will be kept on file at the District.

A public body may make an open call to the public during a public meeting, subject to reasonable time, place and manner restrictions, to allow individuals to address the public body on any issue within the jurisdiction of the public body.

At the conclusion of an open call to the public, individual members of the public body may respond to criticism made by those who have addressed the public body, may ask staff to review a matter or may ask that a matter be put on a future agenda.

However, members of the public body shall not discuss or take legal action on matters raised during an open call to the public unless the matters are properly noticed for discussion and legal action.

Call to the Public is provided so citizens may address the public body (Governing Board) with matters concerning the fire district. Since the public body will generally not know what specific matters may be raised at call to the public, they will be unable to act until the matter is placed on a subsequent meeting agenda (at the Board’s discretion). The Board may also direct staff to follow up on the issue with the citizen.

Employees who have not completed their initial (entry) probationary period will not be eligible for recall rights or other layoff privileges.

7. For full-time positions, layoffs will be based on rank and seniority. Layoffs will be made first by selecting the least senior employee in the lowest rank, offering the least senior employee in the next highest rank a chance to demote to the lower rank.

8. Employees who have been reclassified as a result of a reduction-in-force action shall retain the salary of the position held prior to the reclassification. If this salary exceeds the range of the classification to which the employee was reclassified, the employee will receive a pay freeze until employee’s pay is within the range of their new classification.

9. Seniority shall begin on employee's most recent hire date to a regular full-time position. Any civilian employee hired to a Unit member position shall receive a new hire date. Seniority shall not carry over seniority from a previous classification. Seniority for positions of rank shall begin on date of promotion, if more than one employee is promoted on the same date, adjusted seniority shall be used to determine seniority. Seniority encompasses the probationary period.

10. In the event a tie exists between two or more employees, the next consideration will be the person’s final overall promotional examination score or the member’s overall entrance exam score where applicable.

11. Seniority is defined as total consecutive years/months of District employment without a break in service. Active Duty Reserve military training will be considered consecutive service. Special Leaves shall be considered continuous employment.

Section 7.2a: Pay & Benefits

1. In the event of a layoff, the employee's final work day shall be the last day in the pay cycle. Final payment of wages and other accumulated hours (holiday, vacation, and sick leave) shall be paid to the employee on the next regularly scheduled payday.
2. In accordance with §ARS sick leave shall be restored to the previous sick leave balance, for any employees that are rehired within seven (7) months of resignation or layoff.

3. Employees that have been recalled (within 2 years) retain their seniority from date of the layoff. Seniority time will not accumulate during the layoff period. Retirement service credits will not accumulate, due to a break in service.

4. Employees that resign but are rehired, shall not retain seniority.

5. Employees that resign but are rehired, shall retain credit for total time with the District in regard to promotional requirements. The total time credited is not required to be consecutive.

6. An employee, separated through termination/layoff, may elect to withdraw, rollover, or receive monies from his/her deferred compensation plan account(s), as governed by the terms of those plans.

7. Separated employees and their immediate families shall continue to be eligible for services provided by the District’s Employee Assistance Program (EAP) for the period of three (3) months.

8. Employees in the group health plan are eligible for COBRA.

Section 7.3: Recall/Reemployment

1. Employees who leave the District in good standing may be considered for future re-employment for a period up to two (2) years. Employees who resign without two weeks’ notice, or who are dismissed for unsatisfactory performance or conduct, shall not be considered for re-employment.

2. In the event of rehiring to fill vacancies created by retirements, resignations or the availability to increase staffing, personnel will normally (but not necessarily) be recalled in the reverse order of the layoff process. Therefore, last out would normally be the first to be rehired.

3. Consideration shall be given to operational needs, employee classification and the employee’s ability to perform the job when selecting the re-hiring of personnel.

4. Employees on layoff status shall be placed on a recall list and will be eligible for recall for up to two (2) years or until the Fire Chief and SFMD Governing Board of Directors determines the layoff is permanent. After the two (2) year layoff period, an employee will no longer be eligible for recall and the layoff will be considered permanent.

5. If an employee chooses to remove his/her name from the recall list, the employee will forfeit the rights to be recalled. Employees on the recall list will be required to contact Human Resources to keep the District updated with current home address and contact phone number within seven (7) calendar days of any changes. Failure to do so will eliminate all rights to be recalled.

6. Employees recalled shall be notified by certified or registered United States mail. An employee has 30 days to respond back to a recall notice by certified or registered United States mail, after receipt of the recall notice or its attempted delivery. An employee who does not respond to the notice during the specified time period will be removed from the recall list and will no longer have any recall rights.

7. Employees recalled to their former position shall be compensated at the rate of pay they would be entitled to had the layoff not occurred. If a recall places the employee in a higher level position than previously occupied, the employee will be paid in accordance with the provisions of the District’s promotion policy.
8. Employees that resign but are rehired shall be compensated at the rate of pay prior to resignation.

9. In the event an employee resigns from a previously promoted position (Engineer, Captain, Battalion Chief) the employee’s previous position/class may have been filled through promotion or transfer. The employee may be rehired at a position/class less than previously held prior to resignation.

10. New employees will not be hired until all laid off employees have had an opportunity to be recalled in that job classification.

Section 7.4: Term and Effect of MOU

1. This MOU shall remain in full force and effect from August 15, 2018 until August 21, 2019, unless an intervening financial crisis or other such matter (specifically provided for in this MOU) should occur.

2. In the event the parties are unable to reach agreement on a new MOU, prior to the expiration of this MOU, the SFMD Governing Board of Directors and the Employee Association may extend this MOU by mutual agreement for the time period necessary to complete negotiations. All terms of this agreement shall remain in effect during continued negotiations.

3. The MOU may be renewable without further review or meet and confer if the Fire Chief, Chapter Vice President, and the SFMD Governing Board of Directors are in agreement.

4. Except as expressly provided in this MOU, the District shall not be required to meet and confer concerning any matter, whether covered or not covered herein to take effect during the term or extensions thereof.

5. This MOU supersedes any past practice and supersedes any previous agreement, verbal or written between parties hereto or between any of them and any employee(s) covered hereby.

6. It is intended by the parties hereto that the provisions of this MOU shall be in harmony with the rights, duties, obligations, and responsibilities which by law devolve upon the SFMD Governing Board of Directors, Fire Chief and the Employee Organization while these provisions shall be interpreted and applied in such manner.

7. The Employee Organization recognizes the powers, duties and responsibilities of the Fire Chief as set forth in District Policy and that pursuant thereto the Fire Chief has the authority to establish rules and regulations applicable to the operation of the Fire District and to the conduct of the employees and officers employed therein, subject to the provisions of this MOU.

8. This MOU references the SFMD Volume I Policy Manual of the District as approved by the Senior Leadership Team, Labor Management processes, and the Governing Board of Directors.

9. Revisions to the Policy Manual and Standard Operating Procedures pertinent to this MOU from this point on must have approval of the Fire Chief, Senior Leadership Team, and the Chapter Vice President. To not do so will be considered a violation and breach of this MOU.

10. In the event a dispute over the interpretation of any segment of this MOU arises, as a prelude to filing a formal breach of the MOU, the Employee Organization and the District will meet with the goal of developing a mutual agreeable clarification. Once agreed upon, the clarification will be signed by both parties and become an informational attachment of the MOU.
IN WITNESS WHEREOF, the parties have set their hands this 15th Day of August, 2018;

Agenda Item Title: Discussion and possible approval of Resolution #2018-08-15-14 relating to the adoption of a change to the public CPR class fee schedule due the increase of American Heart Association (AHA) cards.

Submitted by: Captain Mark Gomez, Training Captain

Background/Discussion: The Superstition Fire/Medical District has been a Training Center for the American Heart Association teaching CPR classes since 1998. Classes are held throughout the year at the Superstition Fire/Medical District Regional Training Center. These classes have associated cost such as certification cards, disposable supplies, and overtime cost for district instructors.

American Heart Association has increased the pricing of CPR cards from $3.00 per card to $17 per card. Due to the increase in cost, the current district fee schedule for each student enrolled in a CPR course will no longer cover the costs. We will be subsidizing this additional cost in order to teach CPR classes to the public.

This Agreement may be terminated by either party by providing written notice of termination to the other party at least 30 days prior to the expiration of the Initial Term or any Additional Term. USDD may terminate this Agreement for any breach hereof upon 30 days written notice. The notice shall specify the nature of the breach. Notwithstanding the foregoing, USDD may terminate this Agreement immediately upon non-payment of any sum due from Customer under this Agreement or any other contract. Upon termination of this Agreement, all sums previously paid to USDD shall be nonrefundable.

11. **Annual Fees.** On or before the first day of the Initial Term and each Additional Term (each a “Due Date”), Customer shall pay USDD an Annual Fee in advance for the Services and to be delivered hereunder (the “Annual Fee”). The Annual Fee shall be the product of the total cumulative sales price of all Hardware, Software, and other tangible goods or equipment provided to Customer at any time under any circumstances (“Base Amount”), multiplied by .11. Customer acknowledges and agrees that the Base Amount is cumulative and will increase by the purchase price of all Software, Hardware and Services purchased in the future. USDD may calculate the Base Amount, determine the Annual Fee and invoice Customer therefore 45 days prior to the subject Due Date. Customer shall pay the Annual Fee on or before the Due Date or 30 days after the date of the invoice, whichever is later. Invoices remaining unpaid shall bear interest at 18% per annum. Annual Fees are nonrefundable.
12. **Failure to Renew.** In the event Customer declines to renew this Agreement for any Additional Terms or otherwise terminates this Agreement, the System shall be deemed by USDD to have been abandoned by Customer. USDD will not provide any further Services for the System, and Customer will not be allowed to reinstate service and support of the System through another Service Agreement.

13. **Limited Warranty.** USDD warrants that the Services performed hereunder will be carried out with due care and attention by qualified personnel. Defective Hardware subject to repair hereunder will be repaired to good working order. TO THE EXTENT PERMITTED BY LAW, THIS WARRANTY AND REMEDIES SET FORTH ABOVE ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, REMEDIES AND CONDITIONS, WHETHER ORAL OR WRITTEN, STATUTORY, EXPRESS OR IMPLIED. AS PERMITTED BY APPLICABLE LAW, USDD SPECIFICALLY DISCLAIMS ANY AND ALL STATUTORY OR IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND WARRANTIES AGAINST HIDDEN OR LATENT DEFECTS. If USDD cannot lawfully disclaim statutory or implied warranties then to the extent permitted by law, all such warranties shall be limited in duration to the duration of this express warranty and to repair or replacement service as determined by USDD in its sole discretion. No reseller, agent, or employee is authorized to make any modification, extension, or addition to this warranty. If any term is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired. EXCEPT AS PROVIDED IN THIS WARRANTY AND TO THE EXTENT PERMITTED BY LAW, USDD IS NOT RESPONSIBLE FOR DIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY BREACH OF WARRANTY OR CONDITION, OR UNDER ANY OTHER LEGAL THEORY, INCLUDING BUT NOT LIMITED TO LOSS OF USE; LOSS OF REVENUE; LOSS OF THE USE OF MONEY; LOSS OF ANTICIPATED SAVINGS; LOSS OF GOODWILL; LOSS OF REPUTATION; and LOSS OF, DAMAGE TO OR CORRUPTION OF DATA. USDD IS NOT RESPONSIBLE FOR ANY INDIRECT LOSS OR DAMAGE HOWSOEVER CAUSED INCLUDING THE REPLACEMENT OF EQUIPMENT AND PROPERTY, ANY COSTS OF RECOVERING PROGRAMMING OR REPRODUCING ANY PROGRAM OR DATA STORED OR USED WITH USDD PRODUCTS, AND ANY FAILURE TO MAINTAIN THE CONFIDENTIALITY OF DATA STORED ON THE PRODUCT. USDD disclaims any representation that it will be able to repair any hardware under this warranty or make a product exchange without risk to or loss of the programs or data stored thereon.

14. **Virtualized Environment.** If Customer elects to deploy the Communications Gateways on a virtual server hosted by Customer or other third party or parties, the following additional terms and limitations shall apply:

   a. USDD does not certify any third party virtualized server solutions for implementation of USDD products, including the Communications Gateway. Use of a virtualized environment, performance of the environment and configuration shall be the sole responsibility and risk of the Customer. USDD cannot warrant or guarantee the performance of the Communications Gateway or other USDD applications used in virtualized environments.
b. The System is a mission critical system. Customer must ensure that its personnel have been trained in the installation and deployment of any virtual server software to be used by Customer prior to attempting deployment of the System. Customer shall be solely responsible for planning the deployment of the virtualized server components. Customer shall be responsible to configure each virtual server to meet the minimum processor, memory, disk and configuration requirements recommended for the server component as documented by USDD.

c. USDD will provide support for issues that are known to occur in the Communications Gateway’s native operating system, or can be demonstrated that the issue is not the result of operating the Communications Gateway in the virtual environment. USDD encourages Customer to obtain and maintain service and support for its virtual server components and software as USDD cannot provide support for the virtual environment.

15. **Arbitration.** If the Parties are unable to informally resolve any dispute arising out of this Agreement either during or after its Term, including the question as to whether any particular matter is subject to arbitration, the parties agree to submit the matter to binding arbitration. In the event the parties have not agreed upon an arbitrator within 20 days after either party has demanded arbitration in writing, either party may file a demand for arbitration with the Phoenix regional office of the American Arbitration Association ("AAA") and a single arbitrator shall be appointed in accordance with the then existing Commercial Arbitration Rules of the AAA. Discovery may be conducted either upon mutual consent of the parties, or by order of the arbitrator upon good cause being shown. In ruling on motions pertaining to discovery, the arbitrator shall consider that the purpose of arbitration is to provide for the efficient and inexpensive resolution of disputes, and the arbitrator shall limit discovery whenever appropriate to insure that this purpose is preserved. The dispute between the parties shall be submitted for determination within 60 days after the arbitrator has been selected. The decision of the arbitrator shall be rendered within 30 days after the conclusion of the arbitration hearing. The decision of the arbitrator shall be in writing and shall specify the factual and legal basis for the decision. Judgment to enforce the decision of the arbitrator, whether for legal or equitable relief, may be entered in any court having jurisdiction thereof, and the parties hereto expressly and irrevocably consent to the jurisdiction of the Maricopa County Superior Court of Arizona for such purpose. The arbitrator shall conduct all proceedings pursuant to the then existing Commercial Arbitration Rules of the AAA, to the extent such rules are not inconsistent with the provisions of this Section. Agenda Item #8 was moved here (BOD #2018-07-07):

Discussion, consideration and possible adoption of Resolution 2018-07-18-12 granting final approval for the sale and issuance of general obligation refunding bonds of the District including delegation to the Fire Chief and the Finance Director of the District to determine certain matters related thereto.

At the May 16, 2018, Board meeting, the Board approved Resolution 2018-05-16-08 that defined the authority to be given to the Fire Chief and Finance Director as they negotiated a Loan Repayment Agreement that would pay off the remaining 2006 GADA bond debt. The Fire Chief and Finance Director were authorized to further efforts that concluded in a Loan Repayment Agreement that covered all costs, did not require additional District funds, and that the refinancing effort resulted in a minimum net present value of savings no less than $425,000 over the remaining life of the bond. The resulting Loan Repayment Agreement must be approved and signed by the Board to be considered valid and duly authorized.

To that end, Chief Farber and Roger Wood have, in conjunction with Stifel, Nicolas & Company Inc., and Greenburg Traurig, Bond Counsel, received a loan proposal from JP Morgan Chase that will provide, after all costs, and estimated $456,000 savings in interest over the remaining 9 years of the original bond term. The loan proposal from JP Morgan Chase contains a prepayment clause that will allow the District to pay off the entire remaining loan without penalty after 5 years.
Finance Director Roger Wood talked about taking bids from numerous financing agencies. The successful bid was from JP Morgan Chase. We have been able to lock down the interest rate on the new Bond at 2.83% (fixed). Our current Bond is at 5% interest. That is where the savings is coming from.

Brian Lundberg, Managing Director, with Stifel, Nicolas & Company Inc. was present to speak to the Board and to answer any questions that the Board may have. There were no questions from the Board.

Motion by Clerk Gehrt to approve the 2006 GADA Bond Refinance Resolution 2018-07-18-12 to (1) provide final approval for the sale and issues not to exceed $5,471,000 aggregate principal amount of Superstition Fire & Medical District of Pinal County, Arizona General Obligation Refunding Bonds; (2) awarding the bonds to purchaser thereof; and (3) ratifying all actions take to further this Resolution. Seconded by Director Cross

Vote 5 ayes, 0 nays. MOTION PASSED.

5. Public Hearing in accordance with ARS §48-805.02 in order to hear taxpayer’s comments on the proposed Superstition Fire & Medical District revenue and expenditure budget for Fiscal Year 2018/2019. (BOD #2018-07-04)

No person(s) from the public in attendance to comment on the Fiscal Year 2018/2019 expenditure budget.

Finance Director Roger Wood talked about the tentative budget versus the final budget. Some of the line items in the general operating fund ended up being lower than I had estimated back in May. For example, the ELBO pay out was not as high as I had expected it to be. Some spending items weren’t as high as I had expected. This allowed us to increase our financial reserve up to 11.75% of tax revenue. The final Budget that were asking you to approve for Fiscal Year 2018/2019 is $21,768,079.91.

Motion by Director Strand to adopt Resolution 2018-07-18-10: Budget Adoption, fully adopting the estimates of proposed revenues and expenditures by the Superstition Fire & Medical District for the Fiscal Year beginning on July 1, 2018 and ending June 30, 2019 in the amount of $21,768,079.91 and declaring that such shall establish the budget of the Superstition Fire & Medical District for Fiscal Year 2018/2019. Seconded by Director Moeller.

Vote 5 ayes, 0 nays. MOTION PASSED

7. Discussion and possible adoption of Resolution 2018-07-18-11, authorizing the establishment of a line of credit with Wells Fargo for Fiscal Year 2018/2019. (BOD #2018-07-06)

Finance Director Roger Wood talked about the line of credit with Wells Fargo. This is a $1.5 million line of credit (a reduction from last year) and the interest rate is 5%. The interest rate is variable and will vary over time.

Motion by Clerk Gehrt to approve Resolution 2018-07-18-11, authorizing the establishment of a line of credit with Wells Fargo, for $1.5 million for Fiscal Year 2018/2019. Seconded by Director Cross.

Vote 5 ayes, 0 nays. MOTION PASSED.
8. **Discussion**, consideration and possible adoption of Resolution 2018-07-18-12 granting final approval for the sale and issuance of general obligation refunding bonds of the District including delegation to the Fire Chief and the Finance Director of the District to determine certain matters related thereto. *(BOD #2018-07-07)*

** Agenda item #8 was moved to earlier in the meeting after agenda item number #4. **

9. **Discussion and possible approval of extending the 6-month pilot program for Engine 263.** *(BOD #2018-07-08)*

Fire Chief Mike Farber talked about the sixth-month pilot program for Engine 263, which expires at the end of June, 2018. He would like to extend this program for 2 - 3 more months while we are waiting on the SAFER Grant. This pilot program is intended to improve response time, decrease fire loss, increase survivability and increase Firefighter safety. Other benefits are reduction in Firefighter fatigue; decrease sick leave usage, and potentially reduce ISO ratings.
