**TO: Superstition Fire & Medical District Governing Board**

**FROM: Mike Farber, Fire Chief**

**DATE: July 19, 2018**

**SUBJECT: Fiscal Year 2018/2019 Budget Message and Transmittal Memorandum**

---

The District is committed to providing the highest quality emergency fire suppression, fire prevention, community risk reduction, and ground transport services possible. We do this by adhering to the Phoenix Regional Automatic Aid System and the National Fire Protection Association (NFPA) 1710 Standards for emergency response and deployment, ensuring adequate human resource staffing, and by providing for the overall health and safety of our sworn fire suppression services and civilian transportation services personnel.

The fiscal year (FY) 2018/2019 budget message and transmittal memorandum is being presented to the elected Governing Board of the Superstition Fire & Medical District ("District") and to the valued members of our community to provide the budgetary guidelines for the District operations for the new fiscal year. The annual budgeting process is a collaborative effort between Senior Leadership, the elected Governing Board, Apache Junction Chapter of the International Association of Fire Fighters (IAFF) Local 2260, civilian support staff, and the community.

The principal goal of this budgeting process is the creation of a fiscally responsible budget that is **innovative, data-driven, and transparent**. The mission of the District is to enhance safety and quality of life in the community by providing professional fire and emergency services in a positive, productive, personable, and professional manner.

The FY 2018/2019 budget emphasizes **technology, professional development, and capital apparatus and equipment**. The budget includes a 3.0% increase in wages for all employees, as well as the costs associated with the hiring of 7 firefighters through a SAFER Grant request to ensure adequate staffing of an additional engine company at station 263. This additional unit will reduce emergency response times, thus ensuring an increase in cardiac survivability and a reduction in fire loss for the community while ensuring firefighter safety. This budget also invests additional funds for firefighter training and a commitment to quarterly command and leadership training for the fire captains.

The FY 2018/2019 budget also addresses capital needs with the purchase of a 2019 Pierce Velocity 1500 GPM pumper to ensure reliable service with dependable equipment. Technology is essential in today's fire service and this budget addresses upgrades in hardware and software to assist in service delivery.

## **Revenue Overview**

The District's revenues are significantly impacted by Arizona's legislative statutes, the variability of the values of the properties within the District, and the methods used to calculate the real and personal property tax valuations.

## **Legislative Challenges**

Below is a brief summary of the significant legislative bills that impact the District's property tax revenue stream.

**Proposition 117:** In the 2012 General election, voters passed Proposition 117 amending the Arizona Constitution by setting a limit on the annual percentage increase in property values used to determine property taxes to be no more than 5% above the previous year starting in tax year 2015. Proposition 117 also established a single LPV as the basis for determining all property taxes on real property which took effect in FY 2016/2017. Personal Property, other than mobile homes, will be computed at FCV.

**SB 1421:** Passed in 2009, limits the increase in the tax levy for fire districts to be no more than 8% over the prior year's actual levy.

**A.R.S. 48-807:** Caps the maximum tax rate per \$100 of assessed property tax value at \$3.25.

**House Bill 2001 (Jobs Bill):** passed in 2011, reduced assessed valuation of class one commercial and centrally valued properties from 25% in 2006 to 18% by 2016, and reduced class two vacant land values by 1% a year through 2016.

## **Housing Market**

There have been recent signs of potential improvement in the District's residential housing market. Zillow is forecasting home values in Apache Junction to increase 5.2% and Gold Canyon 7.5% respectively during the next fiscal year. The S&P / Case-Shiller Phoenix Home Price Index reflects an overall increase of 1.49% in home values in the greater Phoenix housing market for the period April 2017 – April 2018.

Due to the passage of Proposition 117, the foundation for property tax calculations is the limited property value (LPV) of each property. The impact of Proposition 117 on the District's net assessed value tax base remains significant. Over the five year period FY 2014/2015 to FY 2018/2019 the District's Net Assessed Value (NAV) has increased an average 3.63% per year, which is 27.4% below the 5% cap mandated by Proposition 117. In light of actual data in the few years since the passage of Proposition 117, the ability to forecast the actual growth in the District's cumulative NAV for any given future fiscal year is highly problematic if not impossible.

The District relies almost entirely on tax revenue based on the NAV to fund its emergency medical, fire and social services for the community. Table 1 below displays a ten-year tax revenue history including the five-year decline in the District's net assessed valuation (NAV). The table also shows the District is anticipating FY 2018/2019 Pinal County tax revenue of approximately \$12,539,899 generated at the tax levy rate of \$3.25 per hundred dollars of secondary assessed value.

**General Fund (100 Fund) Revenue Budget**

The FY 2018/2019 Budget tax rate of \$3.25, and the District's Pinal County Net Assessed Value (NAV) for FY 2018/2019 is projected to be \$385,843,054, which is a 4.46% increase from the previous fiscal year.

**Capital Projects Fund Overview (200 Fund) Revenue Budget**

On November 8, 2016, the voters in the District approved the Special Tax Override initiative giving the Governing Board the authority to raise the tax up to \$0.25 per \$100 of assessed property value for a 5-year term starting in FY 2017/2018. The FY2018/2019 budget includes the revenue related to this Special Assessment. The District will use the override initiative proceeds for the replacement and purchase of capital equipment.

**Debt Service Principal (500 Fund) and Debt Service Interest (600 Fund) Revenue Budget**

In FY2018/2019, the District is lowering its special assessment on the NAV within Pinal County related to its 20-year GADA bond (that was established in 2006) to \$0.18. The resulting tax revenues will be used to cover the required bond principal and interest repayment.

**Fund Balance Policy**

The District adopted the Fund Balance Policy 129.1 on June 15, 2011, that created new classifications for fund balance based on a hierarchy of constraints placed on the use of financial resources. The new GASB fund classifications designate the level of authority and process necessary to use the funds. The name of the classifications from most restrictive to least restrictive are: non-spendable, restricted, committed, assigned, and unassigned.

## **Expenditure Overview**

### **General Fund (100 Fund) Expense Budget**

The General Fund (or the “Maintenance and Operating” (M&O) Fund) budget was developed after reviewing the District’s strategic and operational plans, expenditures from the past year, and the expectations / requirements for the upcoming year. The expenditure budget provides support for multi-year programs and District operations expected to strengthen the community’s fire, rescue, prevention, and emergency medical non-transport response capabilities. The District’s General Fund M&O budget is \$15,463,225.01 for FY 2018/2019. This results in a balanced budget of General Fund revenues and expenditures as required by law.

The majority of the District’s unassigned General M&O funds are allocated to support the labor costs associated with emergency service delivery to the community. The provision of high-quality emergency fire, medical, and technical rescue services is extremely labor-intensive. The District’s operational effectiveness is dependent upon an adequately staffed, well trained, and mission-ready workforce.

Human resource expenditures, expressed as “compensation and benefits” in the 2018/2019 General Fund total \$12,000,526 (79.0%) and accounts for a majority of the District’s overall annual recurring operating expenditures. The FY 2018/19 budget authorizes a total of 130 full-time employees (FTE), including 7 new hires associated with a SAFER grant the District has applied for. If the District receives the SAFER grant, the majority (65%) of the wages and benefits cost of these 7 new firefighters will be covered by the Grant. If the grant is not awarded, then the District plans on hiring 3 new firefighters to cover attrition.

The cost of the District’s health insurance coverage remains virtually the same from the previous year. This was accomplished through extensive collaborative efforts between Staff and Crest Insurance Group (formerly Benefit Logic, Inc.), the District’s benefit consultant. The District transitioned back to United Healthcare from the United Firefighters Health Care (UFHC) Trust to avoid a double-digit increase in health insurance premiums.

The District has budgeted \$1,575,876 as “financial reserves” (11.75% of the General Fund’s property tax revenue budget) to address short term cash flow shortfalls resulting from bi-annual tax revenue receipts. Generally Accepted Accounting Principles (GAAP) recommends allocating 5 - 15% of the budget in financial reserves. If revenues come in as expected, the financial reserves are simply moved forward into the next fiscal year budget.

### **Ground Transport Fund Overview (150 Fund) Expense Budget**

The Ground Transport Fund captures the revenue and expenses related to the District’s ground transport operations which were officially launched on January 4, 2016. The FY 2018/2019 expense budget represents the cost of operations including nine (9) full time Paramedics, nine (9) full time EMTs to staff three (3) full time 24x7x365 ambulances, and two (2) 42-hour Paramedics and two (2) 42-hour EMTs to staff a 12x7x365 part time ambulance.

### **Capital Projects Fund Overview (200 Fund) Expense Budget**

The Capital Projects Fund identifies items scheduled for purchase with a value of \$5,000 or more. These may be new or replacement items of significant value. A total of \$723,408 is allocated for capital projects during FY 2018/2019. Some of these capital projects include the purchase of the following:

- 2019 Pierce Velocity 1500 Gallons per Minute (GPM) Engine and associated equipment, radio, etc. (\$720,000)
- 2000 GPM Pierce Engine Type I Lease (\$86,098)
- Tactical Tender Lease (\$42,256)
- Ambulances and associated equipment leases (\$175,148)
- Type 6 Wildland Truck (\$80,000)
- ATV Gator (\$25,000)
- Three (3) air conditioner replacement units (\$22,500)
- G2 Encoding Upgrades (\$60,000)
- TOPAZ Capital improvements (\$16,886)
- Five (5) dual band radio replacements (\$48,000)
- Second set of turnouts (\$150,000)
- Scott Air Packs (\$75,000)
- Emergency services medical equipment (\$42,500)
- Thermal Imaging Camera (\$10,350)
- Exchange Server software (\$21,450)
- Electronic Patient Care Report (ePCR) replacements (\$25,000)
- Lexipol Human Resources / Policy software (\$15,163)

The financial resources in this fund play an important role for the District. A challenge fire agencies face nationwide is determining funding methods for major capital purchases needed to maintain the current level of services to the community. A portion of the Capital Project Fund held in financial reserve in the budget is for future expenses. These “committed” financial reserve funds cannot be spent during the current fiscal year except by special Board action in the event of an emergency.

### **Special Revenue and Donation Fund Overview (400 Fund) Expense Budget**

The Special Revenue and Donation Fund contains a variety of special revenues that have been designated for “special” purchases during the current fiscal year. The proceeds in this fund come from donations, grants, and scholarships. This fund has most recently been used to purchase Automated External Defibrillators (AED) for placement in various locations around the community, Life Pac 15 monitors / defibrillators, and other community safety related items.

In FY 2018/2019, the District is planning on aggressively pursuing grants for an AFG 10% matching grant for a second set of firefighting personal protection clothing (turnouts) for the suppression personnel, and the continuation of a Fall Prevention Community Risk Reduction program (an AFG 15% matching grant). The value of all the grants written for FY 2018/2019 is approximately \$408,405, with the District’s cost share being approximately \$46,821.

### **Debt Service Principal (500 Fund) and Debt Service Interest (600 Fund) Expense Budget**

The District designates money in these two funds to pay the principal and interest on the \$9.5M GO bond purchased in 2006. The District has budgeted \$485,000 to be paid toward the principal and \$267,750 to be paid in interest payments on the bond loan during FY 2018/2019. This accrues appropriate amounts for the July 1, 2018, and January 1, 2019 debt service payments, respectively.

### **Summary**

In closing, the Superstition Fire & Medical District is committed to providing the highest quality fire, emergency medical, and transport services to our community. The FY 2018/2019 revenue and expenditure budget is a fiscally responsible budget intended to help support this mission.
