The purpose of this provision is to provide a systematic and equitable method for the organization to reduce or reorganize the workforce due to a fiscal crisis, lack of funds, or budgetary constraints to maintain safe, harmonious and efficient emergency operations for employees and the community they serve. This policy applies to all employees including but not limited to permanent, temporary, part-time contract and/or grant funded positions.

A reduction in workforce is a District-initiated action taken to reduce or reorganize the fire district staffing levels. Implementation of Section 7.2 shall be approved by the SFMD Governing Board of Directors and will be carried out by the Fire Chief.

1. The District shall consider proactive steps to avoid or minimize a reduction-in-force. Such steps may include; budget review to identify non-critical areas for reduction or elimination; suspension or elimination of temporary services and contract workers; implementation of a hiring freeze; a review of overtime and training hours; incentives for early retirement; severance package; job sharing; furloughs; reduced benefits; reduced work hours; reorganization; alternate staffing/service strategies; or a wage and benefit freeze.

When a reduction in workforce becomes necessary the Fire Chief shall notify the Board of Directors as to the number of employees to be laid off. Employees shall be identified for layoff based on the layoff selection process, contained in the procedure section of this policy.

4. Employees receiving notice of layoff may be laid off immediately, only if the member is paid for the 30-day period. Reduction in workforce / reorganization is non-grievable, except when the grievance is based on discrimination.
5. The initial layoff process will include each Assistant Chief evaluating their program management areas to determine where reductions or reorganizations can be made, while identifying critical operational needs for personnel and community safety. The evaluation shall be forwarded to the Operations Chief. The Fire Chief, Operations Chief and Representatives of the Labor Group shall discuss the reorganization prior to implementation. Final approval of affected classifications and numbers rests with the Fire Chief and the Fire Board.
6. All temporary employees shall be laid-off before part-time employees; part-time employees before full time probationary employees; and full-time probationary employees before full-time non-probationary employees. Employees who have not completed their initial (entry) probationary period will not be eligible for recall rights or other layoff privileges.
7. For full-time positions, layoffs will be based on rank and seniority. Layoffs will be made first by selecting the least senior employee in the lowest rank, offering the least senior employee in the next highest rank a chance to demote to the lower rank.
8. Employees who have been reclassified as a result of a reduction-in-force action shall retain the salary of the position held prior to the reclassification. If this salary exceeds the range of the classification to which the employee was reclassified, the employee will receive a pay freeze until employee's pay is within the range of their new classification.
9. Seniority shall begin on employee's most recent hire date to a regular full-time position. Any civilian employee hired to a Unit member position shall receive a new hire date. Seniority shall not carry over seniority from a previous classification. Seniority for positions of rank shall begin on date of promotion, if more than one employee is promoted on the same date, adjusted seniority shall be used to determine seniority. Seniority encompasses the probationary period.
10. In the event a tie exists between two or more employees, the next consideration will be the person's final overall promotional examination score or the member's overall entrance exam score where applicable.
11. Seniority is defined as total consecutive years/months of District employment without a break in service. Active-Duty Reserve military training will be considered consecutive service. Special Leaves shall be considered continuous employment.

### **Section 7.3: Reduction of Workforce- Pay & Benefits**

2. In the event of layoff, the Unit Member's vacation leave hours will be paid out in accordance with the Separation Earned Leave Buyout.

3. In accordance with §ARS, any Unit Member rehired within nine (9) months of resignation or layoff shall have the previous unused sick time leave balance restored. Sick leave hours paid by the District in accordance with Section 7.3.1. shall not be restored. Unit Members that have been recalled (within 2 years) retain their seniority from date of the layoff. Seniority time will not accumulate during the layoff period. Retirement service credits will not accumulate, due to a break in service.
4. Unit Members that resign but are rehired, shall not retain seniority.
5. Unit Members that resign but are rehired, shall retain credit for total time with the District in regard to promotional requirements. The total time credited is not required to be consecutive.

7. Separated Unit Members and their immediate families shall continue to be eligible for services provided by the District's Employee Assistance Program (EAP) for the period of three (3) months.
8. Unit Members in the group health plan are eligible for COBRA.

#### **Section 7.4: Recall/Re-employment**

1. Unit Members who leave the District in good standing may be considered for future re-employment for a period up to two (2) years. Employees who resign without two weeks' notice, or who are dismissed for unsatisfactory performance or conduct, shall not be considered for re-employment.
2. In the event of rehiring to fill vacancies created by retirements, resignations or the availability to increase staffing, personnel will normally (but not necessarily) be recalled in the reverse order of the layoff process. Therefore, last out would normally be the first to be rehired.
3. Consideration shall be given to operational needs, employee classification and the Unit Members ability to perform the job when selecting the re-hiring of personnel.
4. Unit Members on layoff status shall be placed on a recall list and will be eligible for recall for up to two (2) years or until the Fire Chief and SFMD Governing Board of Directors determines the layoff is permanent. After the two (2) year layoff period, an employee will no longer be eligible for recall and the layoff will be considered permanent.
5. If a Unit Member chooses to remove their name from the recall list, the employee will forfeit the rights to be recalled. Employees on the recall list will be required to contact Human Resources to keep the District updated with current home address and contact phone number within seven (7) calendar days of any changes. Failure to do so will eliminate all rights to be recalled.
6. Unit Members recalled shall be notified by certified or registered United States mail. An employee has 30 days to respond back to a recall notice by certified or registered United States mail, after receipt of the recall notice or its attempted delivery. An employee who does not respond to the notice during the specified time period will be removed from the recall list and will no longer have any recall rights.

7. Unit Members recalled to their former position shall be compensated at the rate of pay they would be entitled to had the layoff not occurred. If a recall places the employee in a higher-level position than previously occupied, the employee will be paid in accordance with the provisions of the District's promotion policy.
8. Unit Members that resign but are rehired shall be compensated at the rate of pay prior to resignation.
9. In the event a Unit Member resigns from a previously promoted position (Engineer, Captain, Battalion Chief) the employee's previous position/class may have been filled through promotion or transfer. The employee may be rehired at a position/class less than previously held prior to resignation.
10. New Unit Members will not be hired until all laid off Unit Members have had an opportunity to be re-called in that job classification.

### **Section 7.5: Term and Effect of MOU**

1. This MOU shall remain in full force and effect from November 17, 2021 until July 20, 2022, unless an intervening financial crisis or other such matter (specifically provided for in this MOU) should occur.
2. In the event the parties are unable to reach agreement on a new MOU, prior to the expiration of this MOU, the SFMD Governing Board of Directors and the Employee Organization may extend this MOU by mutual agreement for the time period necessary to complete negotiations. All terms of this agreement shall remain in effect during continued negotiations.
3. The MOU may be renewable without further review or meet and confer if the Fire Chief, Chapter Vice President, and the SFMD Governing Board of Directors are in agreement.
4. Except as expressly provided in this MOU, the District shall not be required to meet and confer concerning any matter, whether covered or not covered herein to take effect during the term or extensions thereof.
5. This MOU supersedes any past practice and supersedes any previous agreement, verbal or written between parties hereto or between any of them and any employee(s) covered hereby.
6. It is intended by the parties hereto that the provisions of this MOU shall be in harmony with the rights, duties, obligations, and responsibilities, which by law devolve upon the SFMD Governing Board of Directors, Fire Chief and the Employee Organization while these provisions shall be interpreted and applied in such manner.
7. The Employee Organization recognizes the powers, duties and responsibilities of the Fire Chief as set forth in District Policy and that pursuant thereto the Fire Chief has the authority to establish rules and regulations applicable to the operation of the Fire District and to the conduct of the employees and officers employed therein, subject to the provisions of this MOU.

8. Revisions to the Policy Manual and Standard Operating Procedures pertinent to this MOU from this point on must have approval of the Fire Chief, Senior Leadership Team, and the Chapter Vice President. To not do so will be considered a violation and breach of this MOU.
9. In the event a dispute over the interpretation of any segment of this MOU arises, as a prelude to filing a formal breach of the MOU, the Employee Organization and the District will meet with the goal of developing a mutual agreeable clarification. Once agreed upon, the clarification will be signed by both parties and become an informational attachment of the MOU.
