TO: Superstition Fire & Medical District Governing Board

FROM: John Whitney, Fire Chief

**DATE:** July 19, 2023

SUBJECT: Fiscal Year 2023/2024 Budget Message and Transmittal Memorandum

The fiscal year (FY) 2023/2024 budget message and transmittal memorandum is being presented to the elected Governing Board of the Superstition Fire & Medical District ("District") and to the valued members of our community to provide the budgetary guidelines for District operations for the new fiscal year. The annual budgeting process is a collaborative effort between Senior Leadership, the elected Governing Board, the Superstition Firefighters' Chapter of the International Association of Fire Fighters (IAFF) Local 2260, civilian support staff, and the community.

The District is committed to providing the highest quality emergency fire suppression, fire prevention, community risk reduction, and ground transport services possible. We do this by adhering to the Phoenix Regional Automatic Aid System and the National Fire Protection Association (NFPA) 1710 Standards for emergency response and deployment, ensuring adequate human resource staffing, and by providing for the overall health and safety of our sworn fire suppression and civilian transportation services personnel.

The FY 2023/2024 budget includes costs correlated to the guiding principles as follows:

### **Personnel Development**

- Testing for Battalion Chief, Captain, Engineer and Firefighter, civilian Paramedic, and civilian EMT eligibility lists to prepare for future employment and promotional opportunities due to attrition.
- Technical Rescue Team (TRT) training for two (2) new members.
- Paramedic training for three (3) new Paramedic sworn positions.
- Quarterly command and leadership training for all Assistant Chiefs, Battalion Chiefs, and Captains.
- Funding of college tuition for up 15 employees to pursue their degrees.
- Intern / recruit academy to facilitate the hiring of up to six (6) new firefighters needed to backfill for known attrition.
- Restructured healthcare benefit funding mechanism to enhance ongoing sustainability.

### **Personnel Health & Safety**

- Purchase of ten (10) new Motorola portable radios to ensure seamless communication during fire and medical responses.
- Purchase of two (2) new VS1 fans to safely ventilate fire scenes while not increasing CO.
- Outfitting LT263 with new fire hose and nozzles for more efficient fire knockdown and making fighting fires safer for the firefighters.

### **Capital Equipment**

- Contingencies for grant co-pay costs, fitness equipment, and staff vehicle(s).
- Lease payments for 2015 tender, 2016 pumper, five (5) 2016 ambulances, and one (1) new 2023 pumper.

### Technology

- Implementation and data collection related to the Neuroprotective CPR treatment bundle.
- G2 Upgrades and TOPAZ Infrastructure Investment.
- Administration server room refit.
- One (1) UCAPIT medical supply dispensing machine.
- LifePak AEDs.
- Numerous new software implementations.

#### Other

In addition to the items above, the FY 2023/2024 budget includes the necessary pension payments to fund the District's public safety employees and civilian employees' pensions.

In summary, the FY 2023/2024 budget addresses the operational and capital investments necessary to provide the highest quality emergency medical, fire suppression, fire prevention, community risk reduction, and ground transport services possible.

#### **REVENUE OVERVIEW**

The District's revenues are significantly impacted by 1) Arizona's legislative statutes, 2) the variability of the values of the properties within the District, and 3) the methods used to calculate the real and personal property tax valuations.

### Legislative Challenges.

Below is a brief summary of the significant legislative bills that impact the District's property tax revenue stream.

**Proposition 117:** In the 2012 General election, voters passed Proposition 117 amending the Arizona Constitution by setting a limit on the annual percentage increase in property values used to determine property taxes to be no more than 5% above the previous year starting in tax year 2015. Proposition 117 also established a single LPV (limited property value) as the basis for determining all property taxes on real property which took effect in FY 2016/2017. Personal Property, other than mobile homes, will be computed at FCV.

**SB 1421:** Passed in 2009, limits the increase in the tax levy for fire districts to be no more than 8% over the prior year's actual levy.

A.R.S. 48-807: Caps the maximum tax rate per \$100 of assessed property tax value at \$3.25\*.

**House Bill 2001 (Jobs Bill)**: passed in 2011, reduced assessed valuation of class one commercial and centrally valued properties from 25% in 2006 to 18% by 2016 and reduced class two vacant land values by 1% annually through 2016 to 15%.

**Senate Bill 1108 (Tax Omnibus Bill):** passed in 2021, further reduced assessed valuation of class one commercial properties to 17% by 2023.

**Senate Bill 1093\***: passed in 2022, further reduces the assessed valuation of class one commercial properties to 15% by 2027. To offset the impact of this reduction, the maximum tax rate per \$100 of assessed property valuation is increased to \$3.50 for FY 2023 / 2024 and \$3.75 for FY 2024 / 2025.

### **Housing Market.**

Due to the passage of Proposition 117, the foundation for property tax calculations is the LPV of each property. The impact of Proposition 117 on the District's net assessed value tax base remains significant.

Over the ten (10) year period FY 2014/2015 to FY 2023/2024, the District's Net Assessed Value (NAV) has increased an average of 4.5% per year. New growth in the most recent four (4) fiscal years has created the possibility of NAV growth above the 5% maximum mandated by Proposition 117. While there are continued signs of new growth in the District in the near term, the impact of the economy on real estate prices still makes forecasting the actual growth in the District's cumulative NAV for any given future fiscal year highly problematic.

Table 1-1 Pinal County NAV / Tax Levy Trending

2023 / 2024	\$521,438,586	6.61%	\$3.47	\$18,093,919	\$1,659,361

The District relies almost entirely on tax revenue generated from its NAV to fund its emergency medical, fire suppression, fire prevention, and risk reduction services. Table 1 above displays a fifteen (15) year tax revenue history, including the five-year decline in the District's NAV.

### **General Fund (100 Fund) Revenue Budget**

The FY 2023/2024 Budget tax rate of \$3.47, and as indicated in Table 1-1 above, the District's Pinal County Net Assessed Value (NAV) is projected to be \$521,438,586, which is a 6.61% increase from the previous fiscal year. Table 1-1 also shows that the District expects \$18,093,919 in FY 2023/2024 from tax revenue from Pinal County properties based on a tax levy rate of \$3.47 per \$100 of secondary assessed value.

### **Ground Transport (150) Revenue Budget**

The Ground Transport division derives its revenue from billing for its Advanced Life Support (ALS) and Basic Life Support (BLS) ground transport services. The District bills insurance providers, including Medicare, Medicaid, Commercial insurance, auto insurance, and Worker's Compensation, for the transportation of citizens and visitors to area hospitals via its ambulances. The District projects handling 5,951 total transports in FY 2023/2024, with 4,684 (79%) being ALS and 1,267 (21%) being BLS.

### Capital Projects Fund Overview (200 Fund) Revenue Budget

The 5-year Capital Special Assessment that began in FY 2017/2018 ended on June 30, 2022. The FY 2023 / 2024 budget includes a \$1,000,000 transfer from the General Fund into the Capital Projects Fund to replace this source of proceeds for the replacement and purchase of capital equipment.

Debt Service Principal (500 Fund) and Debt Service Interest (600 Fund) Revenue Budget In July 2018, the District refinanced its 20-year Greater Arizona Development Authority (GADA) bond (which was established in 2006) to take advantage of lower interest rates. The GADA bond was replaced with a 9-year Refinancing Bond underwritten by JPMorgan Chase. As a result of the interest savings, in the FY 2023/2024 budget, the District is lowering its special assessment related to the bond repayments from \$0.125 to \$0.12 per \$100 of assessed property tax value. The resulting tax revenues will be used to cover the required bond principal and interest repayment.

#### **Fund Balance Policy**

The District adopted Fund Balance Policy 129.1 on June 15, 2011, which created new classifications for fund balance based on a hierarchy of constraints placed on the use of financial resources. The new GASB fund classifications designate the level of authority and process necessary to use the funds. The name of the classifications from most restrictive to least restrictive are: non-spendable, restricted, committed, assigned, and unassigned.

### **EXPENDITURE OVERVIEW**

### **General Fund (100 Fund) Expense Budget**

The General Fund (or the "Maintenance and Operating" (M&O) Fund) budget was developed after reviewing the District's strategic and operational plans, expenditures from the past year, and the expectations/requirements for the upcoming year. The expenditure budget supports multi-year programs, and District operations expected to strengthen the community's fire, rescue, prevention, and emergency medical non-transport response capabilities. The District's General Fund M&O budget is \$19,068,172 for FY 2023/2024. This results in a balanced budget of General Fund revenues and expenditures as required by law.

The majority of the District's unassigned General M&O funds are allocated to support the labor costs associated with emergency service delivery to the community. Providing high-quality emergency fire, medical, and technical rescue services is extremely labor-intensive. The District's operational effectiveness depends on an adequately staffed, well-trained, and mission-ready workforce.

Human resource expenditures, expressed as "compensation and benefits" in the FY 2023/2024 General Fund, total \$16,072,281 (71.7%) and account for most of the District's overall annual recurring operating expenditures. The FY 2023/2024 budget authorizes a total of 111 full-time suppression and supporting civilian staff employees.

Through extensive collaborative efforts between Staff, Labor, and Crest Insurance Group, the District's benefits consultant, the cost of the District's health insurance coverage was kept as minimal as possible while maintaining virtually all of its policies coverages with the exception of a small change in prescription co-pay levels. Through these efforts, the final premium increase was 9.45%, which was significantly lower than the initial renewal quote of an increase of 24.5%.

The District has budgeted \$3,338,478 as "financial reserves" (18.1% of the General Fund's property tax revenue budget) to address short-term cash flow shortfalls resulting from bi-annual tax revenue receipts. Generally Accepted Accounting Principles (GAAP) recommends allocating 5 - 15% of the budget to financial reserves. If revenues come in as expected, the financial reserves are moved into the next fiscal year budget.

### **Ground Transport Fund Overview (150 Fund) Expense Budget**

The Ground Transport Fund captures the revenue and expenses related to the District's ground transport operations which were launched on January 4, 2016. The FY 2023/2024 expense budget represents the cost of 24x7x365 operations, including 15 full-time Paramedics and nine (9) full-time EMTs to staff four (4) full-time ambulances. In FY 2023/2024, the Ground Transport Division is budgeted to make the lease payment for its five (5) ambulances.

### Capital Projects Fund Overview (200 Fund) Expense Budget

The Capital Projects Fund identifies items scheduled for purchase of new or replacement items with a value generally of \$5,000 or more. A total of \$1,224,005 is allocated for capital projects during FY 2023/2024. Some of these capital projects include the purchase of the following:

- 2024 Pierce Pumper Lease (\$142,162)
- 2016 Pierce Quantum Engine Lease (\$86,098)
- 2015 Tactical Tender Lease (\$42,256)
- New BC vehicle funded through a Salt River Pima-Maricopa Indian Community Grant (\$108,300)
- Uplift Equipment for new 2024 Pierce Pumper (\$60,000)
- Hose and Nozzle Replacements for LT263 (\$26,926)
- Two (2) Tempest Battery Powered Ventilating Electric fans (\$12,000)
- Staff Vehicle Contingency (\$100,000)
- Neuro-protective Treatment Bundle (\$60,000)
- UCAPIT machine funded by Health Resources & Services Admin. Grant (\$12,135)
- Mobile Computer Terminal (MDT) replacements (\$26,090)
- G2 Encoding Upgrades (\$22,000)
- TOPAZ Capital improvements (\$100,997)
- Eleven (11) dual-band radio replacements (\$118,000)
- Three (3) air conditioner replacement units (\$30,000)
- Station 265 Bay Door Replacement (\$42,000)
- Administration Office Server Room Refit (\$15,541)
- Fitness Equipment Contingency (\$10,000)
- Grant Co-Pay Contingency (\$200,000)

The financial resources in this fund play a very important rle for the District. A challenge that all fire agencies face nationwide is determining funding methods for major capital purchases needed to maintain the current level of service. A portion of the Capital Project Fund is held in financial reserve for future expenses. These "committed" financial reserve funds cannot be spent during the current fiscal year except by special Board action in the event of an emergency.

### Special Revenue and Donation Fund Overview (400 Fund) Expense Budget

The Special Revenue and Donation Fund contains various special revenues designated for "special" purchases during the current fiscal year. The proceeds in this fund come from donations, grants, and scholarships. This fund has most recently been used to purchase Automated External Defibrillators (AED) for placement in various locations around the community, Life Pac 15 monitors/defibrillators, and other community safety-related items. Undirected donated funds are also used to support the District's Pipes & Drums all-volunteer auxiliary.

### Debt Service Principal (500 Fund) and Debt Service Interest (600 Fund) Expense Budget

In July 2018, the District refinanced its 20-year Greater Arizona Development Authority (GADA) bond (which was established in 2006) to take advantage of lower interest rates. The GADA bond was replaced with a 9-year Refinancing Bond underwritten by JPMorgan Chase for \$5.471 million.

The District designates money in these two funds to pay the principal and interest on its JPMorgan Chase Refinancing bond. The District has budgeted \$622,000 in principal and \$73,551.70 in interest to be paid in FY 2023/2024. The JPMorgan Chase bond balance at the beginning of FY 2023/2024 is \$2,599,000.

### **Certificate of Participation Reserve (700 Fund)**

To insulate the District from potential adverse investment and/or economic impacts over the next 22 years, the District established the Certificates of Participation (COP) Reserve fund to represent three (3) years of Public Safety Personnel Retirement System (PSPRS) pension expense in reserve. These funds can also be used to cover any PSPRS unfunded liability that may occur due to adverse PSPRS investment performance over the life of the COP bonds.

Should these funds not be needed to maintain the District's public safety pension, they will be used to pay off the Certificate of Participation obligations early. The COP reserve balance at the beginning of FY 2023/2024 is \$3,381,483.

#### SUMMARY

In closing, the Superstition Fire & Medical District is committed to providing our community with the highest quality fire, emergency medical, and transport services. The FY 2023/2024 revenue and expenditure budget is a fiscally responsible budget intended to help support this mission.
